3M™ PELTOR™ WS™ ALERT™ XP+ / XPI+ FM Radio Headset

Product Description

COMHEAD®
PROTECTIVE EAR-TO-EAR COMMUNICATION

The Bluetooth® MultiPoint and FM-radio headset with noise-cancelling microphone and connects to a mobile app to more easily set-up and adjust the headset. The headset helps to protect you against hazardous noise, but also makes it easy to make phone calls hands-free in noisy environments. It has built-in Li-Ion battery that you charge via a USB-C connector.

Key Features

- Noise-cancelling boom microphone for clear speech transmission in noisy environments
- FM Radio with RDS
- Music and Pod Mode
- Support Qualcomm® aptX™ HD
- Level-dependent function for ambient listening to help promote auditory situational awareness
- Push-to-Listen feature to listen to your surroundings easily and instantaneously
- WAP (Work Audio Profiles) (XPI+ only)
- APS (Audio Pan Setting): Panning your FM-radio or streaming audio between left, right, or center (XPI+ only)
- Multifunction Button: Choose between pre-defined function in the App (XPI+ only)
- Voice-guided menu system
- Auto power off: The headset will turn off after 4 hours of non-use to save battery
- Low-battery warning at low battery level
- Replaceable cushions (hygiene kit)
- Connection compatible mobile app to more easily set-up, adjust settings, and view power status of the headset
- OTA (Over the Air) firmware update

Approvals

Hereby, 3M Svenska AB declares that the product is in compliance with appropriate Directives or Regulations to fulfill the requirements for the CE and/or UKCA marking.

3M Personal Safety Division

The full text of the Declaration of Conformity is available at the following internet address: www.3M.com/PELTOR/DOC.

A copy of the Declaration of Conformity and additional information required in the Directives or Regulations can also be obtained by contacting 3M in the country of purchase.

Applications

The 3M™ PELTOR™ WS™ ALERT™ XP+/XPI+ Headset offers Bluetooth® wireless communication useful in noisy environments. This is essential when users need to be connected to their mobile phone throughout the day (e.g., handymen in construction industries, private contractors operating their own equipment, farmers, maintenance workers in industrial applications, etc.), and everywhere simultaneous hands-free communication and hearing protection could be of benefit.

Laboratory Noise Attenuation Standard EN 352-1:2020 and EN 352-3:2020

3M strongly recommends personal fit testing of hearing protectors. Research suggests that users may receive less noise reduction than indicated by the attenuation label value(s) on the packaging due to variation in fit, fitting skill, and motivation of the user. Refer to applicable regulations and guidance on how to adjust attenuation label value(s). In the absence of applicable regulations, it is recommended that the attenuation label value(s) be reduced to better estimate typical protection. The attenuation rating (SNR) was obtained with the device powered off.

Technical Data Specifications

Materials

- **Headband:** TPE and TPU
- **Headband wire:** Stainless steel
- **Two-point fastener:** POM
- **Cushion:** PVC foil and PUR foam
- **Foam liner:** PUR foam
- **Cup:** ABS
- **Shells:** ABS, TPE
- **Level-dependent microphone for ambient listening:** PET foam
- **Wind shield for speech microphone:** PUR, TPE, PA
- **Wind shield:** foam

Power / Electrical Characteristics

- **Battery Type:** Polymer Li-Ion, Rechargeable
- **Operating Time:** Up to 78 hours with stream
- **Battery Weight:** 18g
- **Battery Class** PLB

Bluetooth® technology

- **Bluetooth version:** 5.2
- **Bluetooth headset profile (HSP):** 1.2
- **Bluetooth hands-free profile (HFP):** 1.8
- **Bluetooth Advanced Auto Distribution Profile (A2DP):** 1.3.2
- **Audio/Video Remote Control Profile (AVRCP):** 1.6.2
- **Bluetooth range:** Up to 10m

Physical Characteristics

- **Boom microphone type:** Noise-cancelling electret microphone
- **Operating temperature:** -20°C to 50°C
- **Storage temperature:** -20°C to 40°C, <90% humidity
- **Charging temperature:** 0 to 50°C
- **Product lifetime:** Up to 5 years (excludes batteries)
- **Weight:** 379g headband, 398g helmet version (includes battery)

Warranty and Important Notice

Warranty

The warranty does not cover any damage caused by neglected maintenance or careless handling. For more information on maintenance, please see the user instruction. For complete warranty condition, contact your dealer or local 3M office.

Important Notice
